

East Side Corridor Economic Development Fund

Please join us for a community update meeting and open house.

As part of Governor Andrew M. Cuomo's Buffalo Billion investment plan, \$65 million, administered by Empire State Development, is dedicated to the revitalization of Buffalo's East Side through capital investments along four commercial corridors. East Side Avenues provides capacity building and organizational support to complement capital investments.

Hear from Empire State Development and East Side Avenues about progress made on funded projects and programs, and what you can expect to see in the near future.
